

14 Roger Street Romsey VIC

4 1

Sitting on a supersized allotment of 1589m², this property has boundless potential for further development. This parcel of land is quite rare as lots of this calibre for residential properties have become extinct.

The home is ready for renovation for our friends seeking a family home. Currently, the property is close to all of the conveniences and amenities Romsey has to offer. It has 3 Bedrooms and 1 Bathroom, with the possibility for expansion. The Sky's The Limit!

Our developer friends will LOVE this property as its space is perfect for developing 2 or 3 units pending council approval. Location is a plus as it's located off the main road close to Romsey Central.
